Re: Tree Along Frontage of 259 Canaan Back Road, Barrington

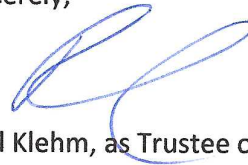

Dear Chairperson Hardekopf:

Please be advised that we reside at 259 Canaan Back Road in Barrington, which is made up of two adjacent parcels owned by the Paul and Catherine Klehm 2017 Trust, of which we are the Trustees. We are writing to request that the Town of Barrington remove a tree which appears to constitute a hazard/nuisance along Canaan Back Road, just before the Barrington/Strafford town line. Obviously, we do not want the tree to fall. The tree is situated between the roadway and our stone wall, along the frontage of one of our parcels. We have identified the tree to Road Agent Marc Moreau, and we thank him for his assistance on this matter.

We wish to waive our rights to appeal the removal of this tree in order to allow the Road Agent to remove same.

Thank you for your attention to this matter. Please contact me with any questions.

Sincerely,
